

How To Join

- * Contact the Santiam Pass Ski Patrol Recruiter at recruiter@santiampassskipatrol.org
- * Participate in a brief telephone interview at which time you can ask any questions you may have.
- * Complete an application and participate in a brief personal interview.
- * Pass a ski or board test if you are applying to be an Alpine or Nordic patroller.

Completion of the application process allows you to become first a level 1, then level 2 candidate. As a candidate you will:

- * Spend time with current patrollers learning about ski patrol responsibilities
- * Be trained in Outdoor Emergency Care and CPR
- * Learn mountain locations and protocols specific to Hoodoo Ski Area
- * Receive training in sled handling, rescue techniques, and patient care in severe conditions specific to the type of membership you seek

Who We Are

The Santiam Pass Ski Patrol was formed in 1941 and is a member of the National Ski Patrol System, Inc. It is comprised of 40 to 50 men and women from a variety of backgrounds ranging in age from 16 to 60 plus. We work hard and take pride in the skills we develop and the services we provide to winter recreation enthusiasts at Hoodoo Ski Area. We promote ski and snowboard safety, provide first responder services to those who are injured or ill while at Hoodoo, and facilitate smooth interface with the emergency medical services system when needed.

What We Do

- * Provide our guests with as safe an experience as possible
- * Deliver initial medical services to those in need within the greater Hoodoo area.
- * Provide search and rescue services to those who may become lost in and around the greater Hoodoo area.

What You Get

As a member of the Santiam Pass Ski Patrol you will:

- * Be part of an organization with a long history of service to the outdoor recreation community
- * Acquire the skills and knowledge needed to respond to a wide variety of emergencies

- * Develop the confidence necessary to deal with crisis situations calmly and effectively

- * Make friends with a great group of people who love the outdoors and serving others

Ski Patrol Is Right For You If...

- * You would like to ski or ride with purpose.
- * You enjoy helping and being of service to others.
- * You want to learn new skills and improve existing skills while enjoying the camaraderie a great group of people.
- * You love outdoor winter recreation.

Three Ways to be an SPSP Member

Alpine Patrollers provide on-the-hill first aid and sled transportation. Successful Alpine Patrollers are physically fit, have strong ski or snowboarding skills, and must be confident in all types of alpine terrain and in all types of weather conditions.

Nordic Patrollers serve both inside and outside of the established ski area. They provide on-the-hill first aid and evacuation of injured Nordic skiers. Successful Nordic patrollers are physically fit, strong Nordic skiers and are comfortable in difficult terrain and conditions.

Auxiliary Patrollers provide on-the-hill first aid and are in charge of continuing care in the aid room. Auxiliary patrollers do not run rescue sleds and are not required to demonstrate skiing proficiency.
